NOTE: Fidlar will send a confirmation email to the email address you used to register. Please see the end of this help document to see an example of that email and the confirmation page.

- 4. Once you've completed the first four steps, you will be taken to the landing page map:

5. Select a state and county in which you'd like to search. On the right side of your screen, you will see the option to "Add Funds". Please note, until funds are added to your new prepaid account, you will not be able to perform a search while signed into this account.

- 6. Click the "Add Funds" button and a box will appear at the top of your screen to enter in your credit card information to pre-load an amount ranging from \$50 to \$1,000 at a time.
 - a. **NOTE**: Fidlar will *not* store any credit card information, nor do we sell any data from our users on any Fidlar product.
 - b. **NOTE**: The ability to click "Continue" will only become available once your information has successfully been entered.
